MEMORANDUM FOR: Deputy Director for Administration

FROM:

  
Director of Information Services

25X1

SUBJECT: OIS Weekly Report (30 December 1981-5 January 1982)

Classification Review Division

CRD reviewed a total of 1,210 CIA documents (16,228 pages) and declassified .1 percent. In addition, one manuscript (450 pages) and one miscellaneous document (3 pages) were also reviewed.

Records Management Division

RMD prepared for DDA signature a memorandum to appropriate Agency components requesting comments on the latest Information Security Oversight Office draft revision to Executive Order 12065.

Responding to an offer to provide to the Agency a group of records concerning expellees from Germany, RMD informed Dr. John Mendelsohn of the National Archives and Records Service that, upon review, there was not sufficient interest to warrant further study of retention.

Regulations Control Division

RCD's workload of regulatory issuances increased slightly to 126 active jobs. During the past week, RCD carried out the following 40 actions on issuances: 13 were newly initiated; two were provided to OGC for legal concurrence; five were in active negotiation; eight were forwarded to the DCI, DDCI, DDA, or DDO for approval; and 12 were published by the Printing and Photography Division.
